

# Welcome to Beavers Community Primary School

# Our Mission

Beavers Community Primary School will, without excuse or compromise provide the best start to life for all of the children in its care.

# Early Years Foundation Stage

# Classroom Life

- Reception is an extremely vibrant and fast-paced place to be.
- Contrary to what we remember from school, the children do not sit at desks and do not work as a whole class.
- Our day is broken up into short whole class input, group work and child initiated work while the children are 'learning through play'.
- We have daily phonics and maths sessions, building on Phase 1
- We aim to read with children on a 1:1 basis twice a week.
- Children learn through play, with both independent and adult directed activities.
- Children have access to our large well established outdoor area to develop their physical skills.
- We have adopted The Power of Reading in school, which starts in our Early Years.
- Specific interventions are put in place throughout the year to address the needs of the children.

# Starting School

- They are beginning an amazing learning journey – their first footsteps into independence.
- Pre-school/nursery experience will help the settling in process.
- Starting school can be difficult for children and parents.
- It's important to choose a school which suits your child.
- We pride ourselves on giving the children in our care the best start to school life.
- The children in our Early Years thrive and most make better than expected progress.
- Children leave our Early Years with the skills, knowledge and independence required for Year One.

# What do we want for the children?

- Active learners who reach their potential academically, with skills and a love of learning to carry forward with them.
- Happy children who feel safe and supported at school.
- Polite and well-mannered citizens.
- A friendly and supportive community to grow and succeed in.
- A partnership between home and school to work in the best interest of the pupil.
