

# Beavers Curriculum Intent

---

**Respect – Honesty – Determination – Cooperation – Equality – Kindness**

*Beavers will, without excuse or compromise, provide the best start to life for all of the children in its care.*

At Beavers Community Primary, we believe our PSHE curriculum should support pupils in learning how to show resilience. Teach pupils how to demonstrate respect and self-discipline in restoring relationships in the face of conflict using Project Achieve skills. Our pupils will demonstrate personal responsibility in their words and actions, as well as wider responsibility as members of the school community. Our pupils will show social, environmental and communal consciousness. They will initiate action to better their surroundings. Pupils will show confidence in their pursuit of excellence; they will not be afraid of wanting to be the best. Most importantly, our pupils will have a clear understanding of what the school values are: respect, honesty, determination, equality, cooperation and kindness and our pupils will embody these values throughout their time with us.
