

Beavers Curriculum Intent

Respect – Honesty – Determination – Cooperation – Equality – Kindness

Beavers will, without excuse or compromise, provide the best start to life for all of the children in its care.

At Beavers Community Primary school we aim to develop pupils' skills of enquiry, reasoned argument and reflection. We are a multi-faith school and will offer pupils a rich and varied curriculum through Hounslow's Local Agreed 'Widening Horizons' syllabus.

R.E enables pupils to build their sense of identity and belonging which helps them to flourish within their local communities and appreciate citizens in a diverse society. It teaches pupils to develop respect for others, particularly of different faiths and beliefs to help challenge prejudice. Within our teaching of RE, we seek to encourage empathy, generosity and compassion as well as prompting pupils to consider their responsibilities to themselves and others to explore how they might contribute to their communities and their wider world.
