

Beavers Curriculum Intent

Respect – Honesty – Determination – Cooperation – Equality – Kindness

Beavers will, without excuse or compromise, provide the best start to life for all of the children in its care.

At Beavers Community Primary school, we aim to provide our pupils high quality music education that engage and inspire pupils to develop love of music and increase their self-confidence, creativity and sense of achievement.

Music plays an important role in the development of the whole child. We understand that music is vital to our aim of developing children's social, emotional and mental health and is intrinsic to a high quality learning experience for all.

We aim to enable our students to:

- Perform, listen to and evaluate a variety of music from different genres, composers or musicians and periods in history.
- Learn to sing solos and with others.
- Have the opportunity to learn an instrument using staff and other musical notation.
- Explore the different inter-related dimensions of music. These being: pitch, duration, dynamics, tempo, timbre, texture and structure.
- Create and compose music on their own and with others.
- Broaden their experience and knowledge of music and take advantage of cross-curricular links with other National Curriculum subjects.
- Have a full range of opportunities to participate in musical activities.
- To perform in a range of occasions such as Music assemblies, concerts, competitions etc.
