

Beavers Curriculum Intent

Respect – Honesty – Determination – Cooperation – Equality – Kindness

Beavers will, without excuse or compromise, provide the best start to life for all of the children in its care.

At Beavers Community Primary School, we are all passionate about reading. It is our intent to provide our pupils with a high quality education in reading every single day. We know reading can have a significant impact on success in school and in children's future. The children will read widely across fiction and non-fiction to provide new insights to the world around them, and develop their understanding of themselves and others. By the end of key stage two, we want all of our children to be fluent, independent and successful readers. As a school, we want to instill a love of reading within our children to allow them to take full advantage of the benefits, pleasure and enjoyment that reading has to offer.
