

NEWSLETTER

Today, we have been supporting Children in Need; we had assemblies about the charity and the children have looked wonderful in their yellow and spotty outfits. Thank you all for your generous donations – so far we have raised £321 and there is still time to donate via ParentPay. BBC Children in Need aims to make sure that every child has the childhood they deserve – and the support they need to thrive.

On Wednesday this week, the staff in Year 2 put on a fabulous 60s workshop for the children, bringing together all they have learnt in their History topic. There were some amazing outfits and super disco dancing!

Also this week, Year 6 welcomed the STIXX project which has been visiting the school for several years. The whole of Year 6 worked in small groups and were guided by an engineer to create shelters using only newspapers and cable ties. Well done to all of Year 6 for their problem-solving and teamwork, and a special congratulations to the winning teams: Illyanah, Darius, Ayman, Bradley, Fabrizio, Erin, Liviu, Wilona, Samer, Hope and Raynan.

We have had some very heavy rain recently and the weather is turning colder. Please remember to send your child to school with a warm, waterproof coat. If you are experiencing any difficulties with this, please do contact the school so that we can help.

Issue 10
18th November 2022

November—Honesty	23rd	Y6 Paul Robeson
December—Honesty	1st	9:15am & 2:00pm Early Years Nativity

It's official, Chrissie has got her staff ID, as well as her first school photograph. She was included in the staff photograph and sat beautifully for the photographer.

Children and staff love seeing her around school, she is spending more time in classrooms, Year 6 were reading their stories to her today.

Beavers Community Primary School
2022 - 2023

Last week one of our parent governors, Ria Ibhrampurkar came to school and visited the Nursery and Reception classes. Ria spoke to members of the Early Years Team and the children. After the visit Ria reported, 'When I visited the Nursery I was able to see lots of wonderful stuff. Children were learning about Baby Owls and they were busy painting a tree for the Baby Owls. The children were happy and engaged. A parent was in the Nursery, helping her child settle and I felt this was a good way to support children in the early years. In Reception, the children were busy building homes using wooden blocks and were planning 'pretend' parties in one class, while the others were busy painting. Thank you all for the hard work put in by everyone at Beavers'.

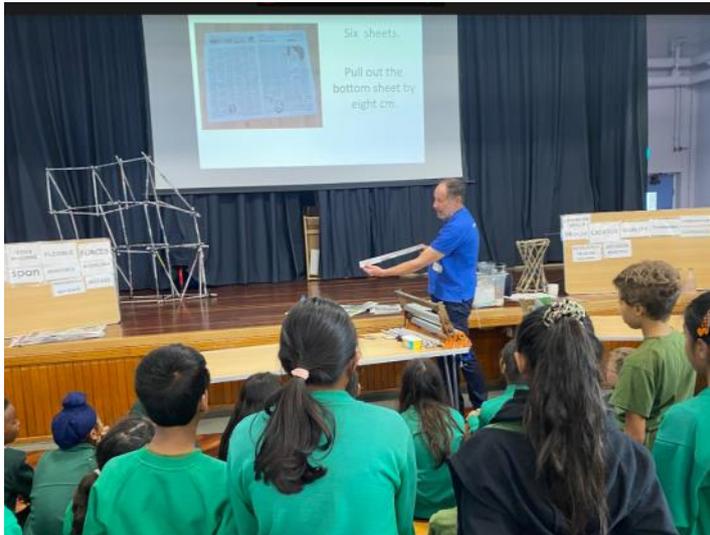

Erin, Roxanna, Wilona, Harmandeep and Zakhi-ra raised an impressive £100 by selling cakes and lemonade after school for Children in Need. Faith also raised money by creating and selling her own artwork pieces!

Year 6 dressed in yellow to support Children in Need

On Thursday 17th November, the children in year 6 got to put their mathematical and design skills to the test by participating in the STIXX workshop run by Jeremy King. They were given a few hours to design and build a shelter using only newspapers and cable ties that could fit all of their team inside. All of the teams showed great resilience and were able to meet the challenge just in time.
