This week, Year 2 went on an adventure to the Science Museum and got to experience a trip on the London Underground. We are lucky to be located so close to an underground station and there are many free museums and galleries in London that you can easily access at weekends and during the holidays.

The children this week took part in the NSPCC's Speak Out Stay Safe assemblies. Speak Out Stay Safe is a safeguarding programme which aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child friendly way. Children are taught to speak out if they are worried, either to a trusted adult or Childline. You can find more information about this here: <http://www.nspcc.org.uk/speakout>.

Remember that school is closed on Monday as it is a bank holiday and the school is closed to most year groups on Tuesday because of the industrial action. The Year 4 trip will still be going ahead. Next Friday we will be celebrating the King's coronation and children are invited to come to school wearing red, white and blue.

Nursery loved cooking mini pizzas!

We recently contacted BookTrust to see if they could donate some books for our Nursery children. They were able to give the children free dual language books to take home. A big thank you to BookTrust for their amazing books!

Year 1 have been learning how to write a poem. Hassan in Yellow Class wrote this fantastic poem, and was awarded a Deputy Head's sticker for his hard work. Well done Hassan!

Dear *Sriya,*

I write to thank you for showing me around Beavers School's fantastic Art Week exhibition with the theme of Wonderland!

It was wonderful to see the artwork you and other pupils at the school had created. I was incredibly impressed by the imagination and skill you all used in making the Art Week exhibition!

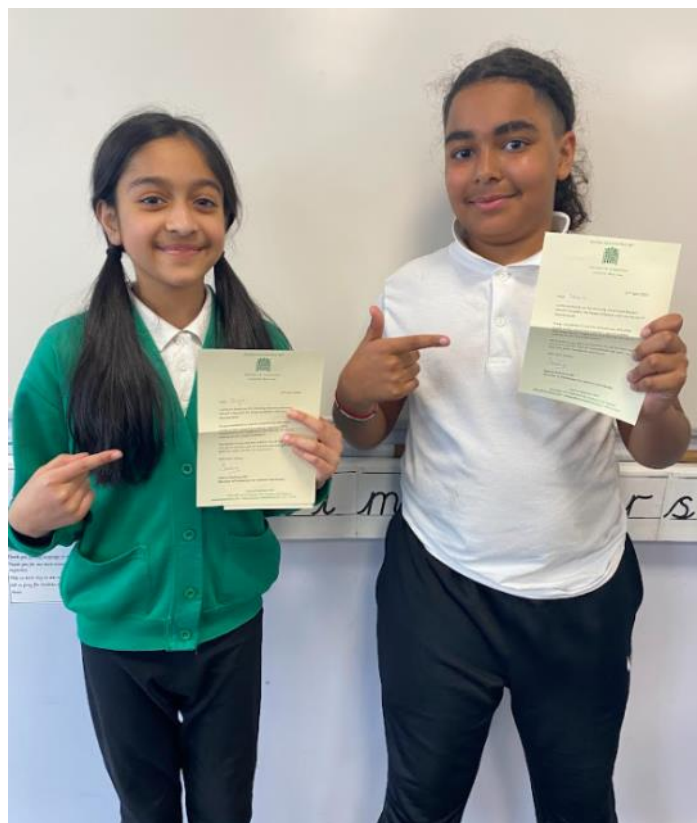

My thanks to you and your teachers for all the hard work you put in and for such an inspirational visit with you. I wish you every success for the future.

With best wishes,

Chrissie is in school most days now, she is really enjoying her time with the children and is making a difference to their learning. She works mainly in Year 2 with Miss Jan or in small groups with Miss Coulston and Ian. There is a rota of children who help get her ready for work; brushing her coat, putting on her collar and bandana, she then walks with them to their classrooms.

Miss Coulston has a group of children who have "Chrissie Time" on Friday afternoons, children are working really hard so they can qualify to spend time with her. She also helps Year 6 with their reading.

Chrissie has been practicing some agility work, we would be grateful for any equipment we can use, such as large hoops, a tunnel, jumps etc. Please speak to Gabrielle in the office if you have anything you are able to donate.

Chrissie has a busy life outside of work, going on lots of walks and making new friends when she is out, here she is with her new friend Polo. She sleeps well when she gets home and likes nothing more than a cuddle on the sofa.

Let's have a look at this week's poster!

## How do you learn best?

## In the news this week

An educational television programme for young people in Afghanistan has been launched by the BBC. The TV show has been created to help children, who have been banned from going to school in the country, and is aimed at children aged 11 to 16. The Taliban group, who took over the country in 2021, have stopped girls over the age of 11 from attending school. The weekly programme is called Dars, which means 'lesson' in Afghanistan's official languages.
