19th	No Nursery

Attendance Ladder

Attendance

Good attendance is very important for learning!

Attendance cup winners were:

99% Y4 Lavender

**98% Y4 Purple, Y1 Primrose,
Y2 Indigo, Y3 Jade**

97% Y3 Lime

Classes with 100% attendance earn a mufti day.

The children thoroughly enjoyed the discos this week, thank you to Barbara and the PTA for organising them and to DJ Ian! Well done to year 6 who have had their Bikeability training this week, to help prepare them for starting secondary school in September.

The Royal Opera House have been visiting this week and working with Year 5, we have been treated to some wonderful singing and dancing. We are looking forward to the final production.

Now the weather is improving please put sun cream on your children before school.

Thank you for your generous donations for the food bank at the Hope Church, once again they were so thankful for your support.

Have a lovely half term break and see you all on Monday 5th June.

Summer 1's value is Co-operation

Working together to achieve a common goal.

Unicef Article 4: Every child's rights must be protected through creating systems and passing laws that promote and protect children's rights.

The Eco Warriors have been busy planting wildflower seeds this week. The different planted areas which will hopefully provide bees, butterflies and other pollinators with food throughout the year. A big thank you to Ed for helping the children and Miss Notay for contacting Habitat Aid who were able to donate free wildflower seeds. Well done Eco Warriors, keep up the good work!

Sunshine Class children made a delicious low fat chocolate mousse in their weekly cooking lesson. Everyone enjoyed using the whisks, measuring out the milk and pouring the mousse into containers.

The Nursery children have been learning about different 2D shapes and enjoyed making their shape biscuits this week. Well done Nursery!

The Nursery children visited our school library this week. The children enjoyed listening to a story and loved singing nursery rhymes. Ibrahim was very excited and said, *'I'm going to the library now'*.

Has being online changed things
for the better?

In the news this week

30 years ago, on 30th April 1993, Swiss science company CERN opened up the World Wide Web to the world, free-of-charge. The 'collaborative information system' was being used by the scientists at CERN (the European Organisation for Nuclear Research) to communicate, without delay, across countries and continents but deciding that there could be wider uses for the tool, they made it available for everyone.

Things to talk about at home ...

- > How often do you access websites online? Are there any particular sites that are your favourites? What about others in your home?
- > Talk to someone older, who can remember a time before people had access to the World Wide Web. Ask them how things were different.

Please note any interesting thoughts or comments

MAY CAMPS
