Issue 33

30th June 2023

We are moving away from paper notes to report any injuries at school and we are now using Medical Tracker. This enables us to notify you by email when we need to make you aware of an injury. Please remember that glass containers are not permitted for packed lunches or drinks as they may break and cause a hazard.

We have had very successful Sports Days this week and the children have thoroughly enjoyed racing against each other. Thank you for coming along to support, and thank you to the site team for providing the music. As part of Sports Week, we have also had Boundless Dance visiting and all of the children have had the opportunity to take part in a dance lesson. Again, they demonstrated amazing enthusiasm and talent, and they were a credit to the school.

It is an exciting time of year where children get ready to move to their new year group and transition day will be on Tuesday 4th July. On this day, children will meet their new teacher and get a feel for what next year will be like. A separate email has been sent which details which class your child will be moving to, their new teacher and the support staff in that class/year group.

Next week, school is closed on Wednesday and Friday due to industrial action. This means that the Summer Fayre is now on Monday 10th July and children's reports will now be sent home on Tuesday 11th July.

What is bravery?

In the news this week

Four children have been found alive after surviving a plane crash and spending forty days alone in Colombia's Amazon jungle. Colombia's president, Gustavo Petro heralded the rescue as a joy for the whole country. The four siblings were the only survivors of the plane that crash landed in the jungle on 1st May. They then became the focus of a massive rescue operation, involving soldiers and local people. Speaking of the incredible feat of survival, Gustavo Petro said, 'They were alone, they themselves achieved an example of total survival which will remain in history'.

Things to talk about at home ...

- > What skills and attributes do you imagine the children would have needed in their situation?
- > Can you think of a time when you have needed to be brave? What happened?
- > Talk to an adult at home and ask them about a time when they needed to be brave.
