

We have come to the end of another academic year and have had lots of different celebrations in the school. Year 6 are now at the end of their time with us and their teachers have organised some memorable activities for them: they have had their emotional leavers' assembly, their fun day on the field (despite the rain!) and a very enjoyable BeaLeaVers Fest with dancing, music and pizza. They have done very well throughout their time with us at primary school, be that long or short, and we are very proud of all they have accomplished.

Reception are also moving up to Year 1 and they treated us to a very special celebration assembly of all they have done this year. It was a fantastic walk down memory lane with highlights being their trip to the seaside, the visiting farm and a naughty elf at Christmas. They also performed a wonderful dance and finished with our school song, 'Power in Me'. Year 2 also had a vey fun day this week, with the opportunity to learn some circus skills and survival skills.

Over the past term, the Royal Opera House team have been in school working with a group of Year 5 children towards a performance for Create Day 2023 at the Royal Opera House in London. Create Day took place on Tuesday this week with Beavers being the lead school. We were able to watch the performance live on YouTube and it was absolutely incredible! Thank you to all the staff and parents for making such an effort, and a huge congratulations to all of the children.

Our PTA Summer Fayre was a huge success once again and we raised a fantastic amount of money to go towards resources for school. Thank you to everyone for supporting this, and thank you also for supporting our Frozen Fridays; we will use the funds raised from this towards developing our OPAL resources.

Thank you to all our families for your support over the past year and my first year as headteacher. I wish you all a very restful summer break.

32 children from Year 5 have had an experience of a lifetime over the past few months, working with the Royal Opera House on a song and dance project for Create Day 2023. It came to an exciting end this week with 2 days working at the Royal Opera House. Their performance was watched by over 1500 people. Well done to everyone involved!

SUMMER FAYRE 2023**

Year 5 became CSI investigators for their Science lesson this week; one of the scientists they learned about this half-term had written them a secret note, and they used chromatography to work out which one it was.

A big thank you to Mr Baig for bringing fresh fruit and vegetables for the Nursery children to share!

Year 6 would like to say a massive thank you to everyone who came to support the Fiver Challenge Fayre. After returning half of their profits to the school for their end of year activities, they got to share the rest with their team.

Should everyone learn  
the Countryside Code?

## In the news this week

A new UK government campaign hopes to encourage young people to 'respect, protect and enjoy' the outdoors.

The campaign follows new research from Natural England, which shows that 80% of children and young people agreed that looking after the environment was important to them, and 83% said they wanted to do more to look after nature and wildlife. The well-known cartoon character, Shaun the Sheep is the new face of the Countryside Code.

### Things to talk about at home ...

- > Share what you know about the Countryside Code and ask an adult at home what they know. Ask them where they've visited before and what they remember about their experiences.
- > Share your thoughts on the Shaun the Sheep campaign. Do you feel it is a good idea to help young people understand the Countryside Code?

Please note any interesting thoughts or comments
