We have reached the end of the first half term and the children have settled very well into their new year groups. It has been a very busy half term with lots of lovely learning experiences taking place. Last week, we had the Harvest assembly and mufti. Thanks to your generosity, we collected a fantastic amount of food donations which have been distributed to those in need. We were able to share the donations between St Paul's Church food bank and Ashgrove care home; they were both very grateful. Year 2's Harvest assembly was very entertaining, with some lovely singing and fun facts about Harvest.

This week, year 3 went on a geography field trip around the local area to practise their field work skills. We also enjoyed welcoming parents to year group curriculum meetings and creative sessions. We hope you found these sessions useful and enjoyable, and we look forward to planning more events like these.

The PTA discos this week were a huge success as always; the children all had a fantastic time. Thank you for supporting the school and the PTA.

Next week is half term and we have an INSET day on Monday 30<sup>th</sup> October. We look forward to welcoming everybody back on Tuesday 31<sup>st</sup> October.

We had our first whole school Smarts School Council Question this week. We asked: October is black history month. Do you feel that you study enough about people of colour in lessons?

Each class worked in groups and the result after some discussions concluded: 93 votes for yes and 21 for no.

The nursery children have been busy exploring their new environment. They enjoyed making their honey, jam and butter sandwiches!

Year 1 and 5 have been doing textiles for DT and have made some lovely creatures.

WE'RE TAKING PART IN

# CUT YOUR CARBON

Throughout November, we're challenging all pupils to complete 9 small, carbon-cutting actions, at home, with the help of friends and family.

Completing these challenges will raise awareness, change behaviours, and cut carbon - a greenhouse gas responsible for driving climate change.

All pupils will bring home a checklist on November 1st, outlining the simple, easy-to-deliver actions. This will help you to tick them off throughout the month.

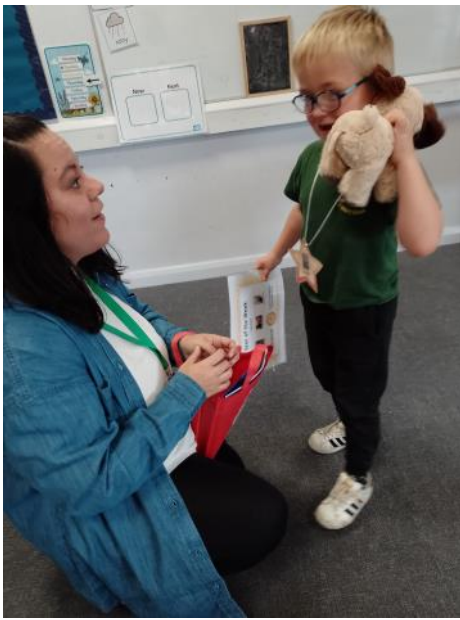

THE TIME TO ACT IS NOW.

IT'S TIME TO CUT YOUR CARBON!

How does  
change happen?

## In the news this week

October is Black History Month in the UK. This year's theme is 'Saluting our Sisters' - highlighting the role Black women have played in shaping history, inspiring change, and building communities in the UK. Commemorations will feature Black women, who have made outstanding contributions to many areas including music, literature, fashion, sport, business, politics, and health care.
