

The Eco Warriors have created their special Eco code. Look out for it in the school! They did a great job helping Ian, our Site Manager, with the paper recycling containers in Early Years and in KS1. Look out for more photographs in the next newsletter!

On Tuesday, 30 children from years 4 and 5 participated in an in-school maths tournament. They spent the afternoon completing a series of challenges and showed really good teamwork skills. Well done to all the participants.

1st Place - Red

2nd Place - Ruby

3rd Place - Purple

Five children will be participating in the next stage of the tournament against other schools on Friday 24th May. Wish them luck!

The Nursery children had lots of fun making mini pizzas. They grated cheese, cut peppers and sprinkled sweetcorn.

This week Sunshine Class have been learning about a story called 'Jasper's Beanstalk' and children loved planting a bean and watering it. They also created a beanstalk by using twigs, leaves and grass. Children enjoyed baking cookies for their cooking session.

It's that simple!

Have you ever wondered why so many adults fail to talk about their emotions? It's often because they don't have the language to.

What would the world be like if we taught all adults how to talk about their feelings - better?

That's why we are passionate about teaching these skills to children through myHappymind!

Teaching emotional literacy skills to children while they are young is so important!

The Year 3 pupils have written poems about colours. Here are 2 beautiful poems written by Kyara and Zuriel

#### I asked the humble snake who cannot see

I asked the humble snake who cannot see  
 "And what is colour like?"  
 He said, "Green is like trimming fresh grass,  
 And blue is a shimmering crystal,  
 And red feels like a warm, colossal hug,  
 And pink is like delicate candy floss,  
 And yellow is like a a sour, sweet gooseberry.  
 And purple is a delicate, delicious dragon fruit,  
 And white is a snowed in gorgeous polar bear.  
 "And wish."

Poet: Kyara - Year 3

#### I asked the swooping flying fish who cannot see

I asked the swooping flying fish who cannot see  
 "And what is colour like?"  
 He said, "Green is like trees rustling,  
 And blue is a squishy blueberry,  
 And red feels like a hot summer day,  
 And pink is like sweet magnificent candy floss,  
 And yellow is like a harmonious flute,  
 And purple is a compassionate friend,  
 And white is a pleasant time to peacefully meditate.  
 "And believe."

Poet: Zuriel - Year 3

We will be holding a Mufti Day on **Friday 3rd May** in exchange for **biscuits, UHT longlife milk, teabags, coffee, juice and squash** for the local food bank. Children can come to school dressed in their own clothes. Please ensure clothing is appropriate, including sensible footwear.

If you would like your child to take part, we would like to invite you to donate the above items which will be passed on to St Paul's and The Good Shepherd Food Bank for families in need in the local community.

It's time to go to school  
I'll be walking through the hall  
Time to grab my Yellow-blue backpack  
And it looks like I have lots to pack

First is the jungle which is all brown and green  
It's the most gloomy place you have ever seen  
Each step was a squelch in the mud  
And every puddle was a giant flood

After the jungle was a lake  
I had to swim for my own sake  
The lake was very deep and vast  
But this obstacle wasn't yet the last

Last is the volcano which was very bad  
The ruby-hot lava is all it had  
The surface was just molten rocks  
It had almost burnt my socks

It's time to go to school  
I'm walking through the hall  
I have my yellow-blue backpack  
Oh wait! it's the holidays, I gotta go back!

Alan in Year 6 Jet class

Reception enjoyed Beep Beep! Day. The children created handprints to make a special poster and they took part in activities about the importance of road safety.

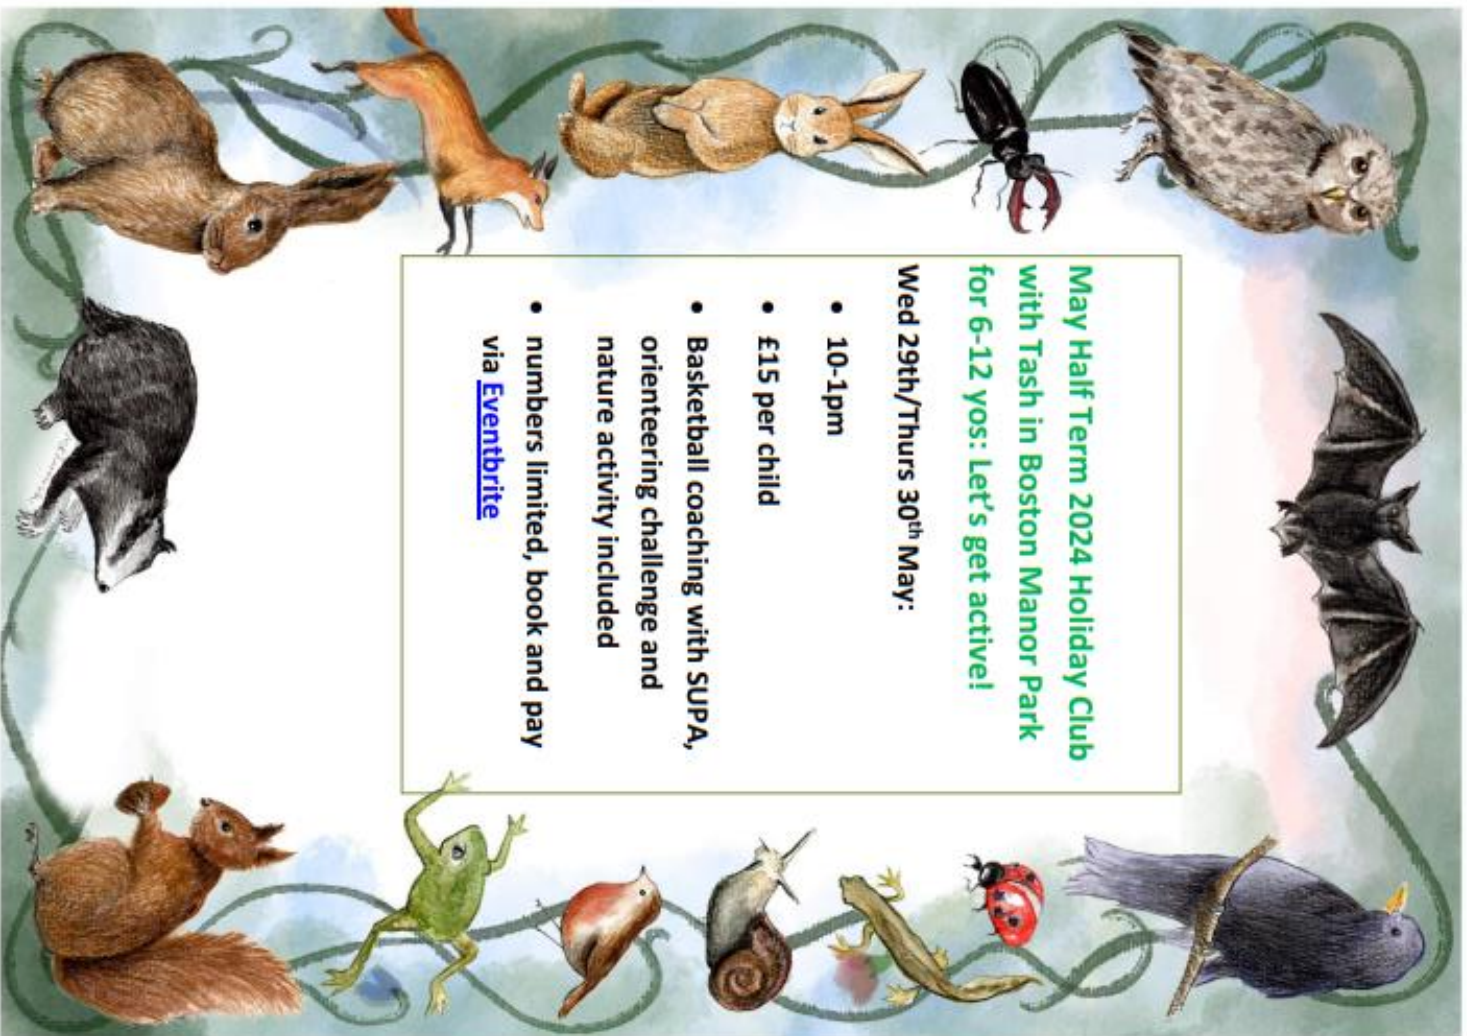

Reception had a wonderful time at the library!

All of the children walked beautifully to and from the library and listened to the librarian. They had a look at the books and selected a few to read. Then the librarian showed the children how to take books out using the special machine. Then the librarian read the children a lovely story.
