Issue 14

17th January 2025

Our children have settled back into school remarkably well following the recent break, and their enthusiasm and engagement in learning activities have been exceptional.

Additionally, this week, our children participated in assemblies focused on the NSPCC Speak Out. Stay Safe programme. This initiative aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child-friendly, interactive way. Children are taught to speak out if they are worried, either to a trusted adult or Childline. It is crucial that we work together to reinforce these important messages at home.

I would like to take this opportunity to remind all parents that term-time leave is not authorised. Missing school can significantly impact children's attainment, progress, and social development, and we appreciate your support in ensuring that they are present and ready to learn each day.

Year 3 used drama to create freeze frames of characters in our new text, using body language and facial expressions to explore their characters. They worked well in their groups and enjoyed being dramatic!

Year 1 have enjoyed learning about superheroes in their Power of Reading book this week! To celebrate how amazing they are they dressed up as superheroes.

## Book sharing sessions!

The Nursery children had a lovely time sharing books with their parents. A big thank you to all the parents who came for the session.

## Attendance Matters: What being late really means:

It is important for your child to arrive on time at school as lateness means they miss out on valuable learning and disrupt the learning of others.
