NEWSLETTER

I am delighted to share some updates regarding our recent successes at Beavers Community Primary School, particularly in relation to Children's Mental Health Week.

This year's theme, "Know Yourself, Grow Yourself," encourages our children to reflect on what makes them unique. By helping them to understand their individuality, we aim to enhance their self-esteem and resilience. It was wonderful to see their enthusiasm today on "Proud to be Me" day, where

children expressed their uniqueness through what they chose to wear. This really demonstrated their growing self-awareness alongside their appreciation and respect of differences.

To further support our families during Children's Mental Health Week, I encourage you to explore the resources available on the [Place2Be website](#). These include *top tips for families* that can further assist in nurturing our children's mental health at home.

Additionally this week, I am pleased to report on the various enrichment activities that have taken place, with Year 5 visiting Boston Manor, and Year 2 enjoying a trip to St Paul's Church, exploring its significance. Year 1 had an exciting day at the Urban Farm, learning about various animals, while our sports teams have been active, with Year 3 and 4 participating in a curling competition, and Year 5 and 6 taking part in a basketball event. All of these experiences are designed to enrich our children's education, show them the opportunities which are available to them, and develop their sense of community and teamwork.

Finally, I would like to take this opportunity to extend my sincere thanks to our placement teachers, Mrs. Sharma, Miss Logue, and Mrs. Rooprai, for their hard work and dedication this half term. We are looking forward to welcoming back Mrs. Clarke, Miss Hughes, and Mrs. Newman next week from their placements.

Miss Storey took 8 year 1 and 2 children to a Gymnastics Festival at Springwell School and they had a fabulous time! Here are some great pictures of them learning new skills.

**PROUD
TO BE ME**

The Year 5 pupils had a wonderful time working with musicians from the Philharmonia Orchestra this week. The pupils created their own soundscapes, played instruments, learnt about the viola, violin, trombone and French horn. The pupils were in awe listening to the musicians play their instruments.

Year 2 has had a very busy week; they have been preparing a party to welcome The Lonely Beast, who has been out looking for new friends! This has been inspired by the book Year 2 have been reading; The Lonely Beast by Chris Judge. They made biscuits and decorations for the party. They also visited St Paul's church and had a fun scavenger hunt with Rev Claire!

Year 1 had a fantastic trip to the Urban Farm and managed to have an enjoyable visit despite the terrible weather! Children and parents alike got in on the fun and held some of the reptiles at the zoo!

On Thursday 11 children from Year 3 and 4 got the opportunity to take part in a new sports competition, New Age Kurling, at Bolder Academy. Each team played four games against other Hounslow schools, including Wellington, Isleworth Town, Springwell, St Lawrence's, sliding a kurling 'stone' towards a target.

All the children tried their best, had lots of fun, and showed great sportsmanship. Both teams placed second in their league, making it through to the semi-final knockout stage. Well done to all the competitors!

This week Ruby and Red Class visited Boston Manor for a Woodland Adventure workshop. The pupils learnt how to start a fire using flint, built a den using wood, erected a hammock, learnt how to get water from a Silver Birch tree and discovered that there are many edible bugs and berries available to eat. The pupils had an incredible time outdoors and even walked across a tightrope!
