NEWSLETTER

I am delighted to share with you some of our recent activities and achievements from this week.

Our Year 6 children participated in an invaluable road safety workshop, emphasising the importance of being visible and travelling safely.

Our Year 5 and 6 children also enjoyed a memorable trip to the Royal Festival Hall to experience the Royal Philharmonic Orchestra, broadening their cultural horizons and enhancing their appreciation for classical music.

The Early Years children were captivated by an author visit, which sparked their imagination and love for literature. This enthusiasm for reading was further cultivated during our whole-school World Book Day celebration, featuring an engaging book hunt meticulously organised by Miss Bentley.

Continuing our commitment to personal development, our Year 3 and 4 children demonstrated their skills in the Festival of Sport competition, embodying the values of teamwork and sportsmanship. We are very proud of our children's engagement and achievements across all areas of school life.

LET'S GO
OUTSIDE AND
LEARN

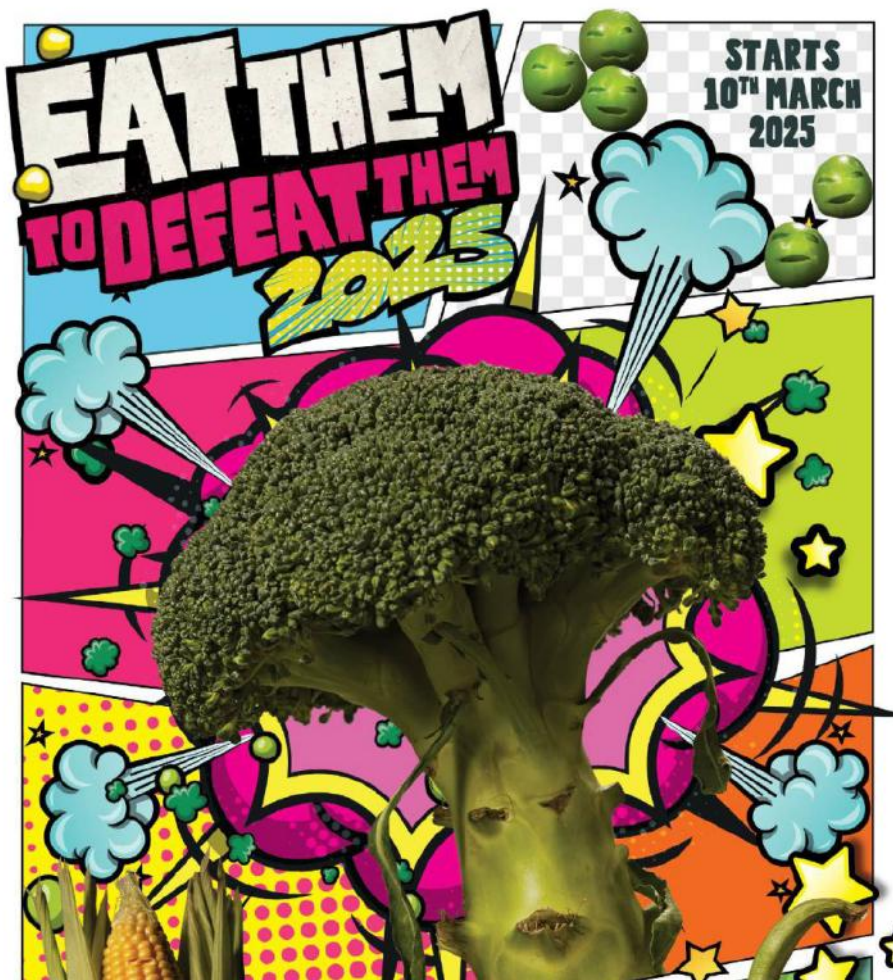

We bought 5 boxes of red noses and sold out within the week! Thank you to everyone who donated. Red Noses are still being sold in supermarkets if you missed out getting one from school.

If you would like to purchase second hand uniform, please visit the following site: <https://oldschooluniform.co.uk/>

or contact Ms Moses by email b.moses@beavers.hounslow.sch.uk or on the school phone number.

The school would be grateful for any unwanted uniform, especially smaller sizes.

We are continuing with our Healthy Schools programme by signing up to Veg Power, launching on Monday 10th March. Throughout the next 3 weeks we will be encouraging children to eat more vegetables, providing lots of information, activity sheets and stickers. Parents can help by asking questions and maybe introducing new vegetables at home.

The Jam Coding Free Holiday Club in partnership with HAF will help children to learn healthy habits and develop important life-skills through physical activities and computing lessons. Children will take part in outdoor games, learn about healthy food and healthy habits, and develop their creativity, confidence and collaboration in computing topics, including game building, Minecraft challenges and stop-motion animation. All this will be done in a safe and supportive environment. A hot meal and healthy snacks are provided every day.

World Book Day 2025

To celebrate World Book Day, author Ben Andrews, visited Nursery. He read his book 'Better Places, Nicky and Candy's Street' and carried out an exciting art activity with the children. A big thank you to our author!

Year 6 took part in a fantastic workshop called Be Bright, Travel Right. They learnt how to keep safe when travelling using different modes of transport. The theatrical side of the workshop made it engaging and taught us so much information.

The Nursery have had a very busy week. The children loved making pancakes on Shrove Tuesday. Happy Pancake Day!

World Book Day 2025

The Nursery enjoyed World Book Day! They loved eating porridge from the story, Goldilocks and the Three Bears. The children were also excited to create their bear hats!
