

As the days are getting shorter and the clocks are changing soon, make sure your child is visible when out after dark. Also now the weather is getting colder and wetter please send your child to school in an appropriate coat. Please make sure all uniform is named, with the increase in the size of the school we are finding lots of strange things in lost property including a pram shoe! Please check lost property at the end of the school day.

Councillor Ed Mayne and Suny Ravenscroft from Intelligent Health visited the school for a photo shoot on the 5th October with the school council to launch the Beat the Street initiative which is going to start on the **14th October**. Suny held an assembly on the 7th October with KS2 introducing the game and also the beat boxes and how families will use them. All children will be given an envelope with a swipe card and map to start playing the game.

The Beat the Street project in Hounslow is being delivered by Intelligent Health and funded by The London Borough of Hounslow and SWITCH an EU initiative to reduce car usage. The aim is to promote healthier lifestyles by setting a competition to see how far the pupils and families from **Feltham, Heston and Cranford** can walk and ultimately which school or team can walk the furthest.
