

# NEWSLETTER

This week, we commemorated VE Day with a series of assemblies and activities. The highlight was undoubtedly the party on the field, where our children looked wonderful in their red, white, and blue to honour this special occasion. It was a fantastic opportunity to reflect on our history and celebrate together as a school.

Our Year 2 children participated in an exciting survival day. The weather was particularly favourable, allowing for a range of enjoyable outdoor activities that challenged and engaged our young learners.

As the warmer weather continues, I would like to remind you about our uniform expectations, particularly regarding PE kit. The required Black Shadow Stripe Shorts are an essential component of our PE uniform. These are available from our school uniform supplier, [Sanco](#), located at 60 Bell Road, Hounslow. Alternatively, they are available from Amazon and other stores.

Thank you for your continued support in maintaining our high standards and encouraging a sense of pride in our school community.

**Please bring your money in promptly as there are limited tickets**

Mr Baig and his son came to the Nursery and delivered lots of fresh fruit and vegetables. The children enjoyed helping them with the delivery and are looking forward to making lots of treats. A big thank you to Mr Baig for being so generous!

Reception have enjoyed learning about birds of prey this week. They have made bird's nests and created owls using a range of different mediums, They have also made bird feeders to put in the outdoor area to attract birds and they have been searching for them using binoculars.

The Reception children really enjoyed joining the rest of the school on the field for the VE day celebrations. Look at their amazing flags and crowns!

# VE Day

On Thursday 8<sup>th</sup> May 2025, we acknowledged and will forever appreciate the sacrifices made for freedom by those, at the time, who either volunteered or were conscripted to join the allied forces.

The whole school celebrated the anniversary by learning about VE day, and The Lunchtime Company served fish and chips. The children made flags and hats., and enjoyed music on the field.

Rainbow class had a wonderful time celebrating VE Day. The children made their own crowns and flags. The celebrations continued out on the field with lots of music and dance. They have also been reading the story, Owl Babies. The children then got to create their own Owl Baby using clay. Rainbow Class also presented Ms Smith with her own clay owl.

## May Half Term 2025 Events in Boston Manor Park
