Nursery Adventures at Heathrow Gym

Our Nursery children had an exciting trip to Heathrow Gym this week, where they explored new physical activities and developed their confidence and coordination. It's all part of our ongoing commitment to promoting physical health and, through this, supporting mental well-being and overall development.

Year 3 Tee Off at Hobbledown Golf

Year 3 enjoyed a fantastic day out at Hobbledown Golf, trying their hand at golf and learning new skills. It was wonderful to see their enthusiasm and teamwork in action as they embraced a new and fun activity.

Year 1 Phonics Screening

Well done to all our children who took part in the Phonics Screening Check this week. They worked incredibly hard and gave it their all - we're proud of each and every one of them for their effort, determination and the progress they have made this year.

Year 6 Fiver Challenge

Next Tuesday, our Year 6 pupils will be running their own mini-businesses as part of the Fiver Challenge. Children in Years 2, 3, 4, and 5 are invited to bring in coins to take part and support their entrepreneurial peers. All money raised will go towards funding the Year 6 leavers' celebrations - thank you in advance for your support.

Value of the Half Term: Kindness

This half term, we're focusing on the value of Kindness. In our recent assembly, we explored how our words and actions can show others that they are valued. We're encouraging all our pupils to think about how they treat others every day.

A Polite Reminder About Parking

On this note, please remember to park considerately on neighbouring roads, particularly where there is tactile paving to support safe crossing. Thank you for helping us keep our community safe and accessible for all.

Happy Father's Day!

Wishing a very Happy Father's Day to all the dads, uncles, grandfathers, brothers, cousins, and father figures who play such an important role in our children's lives. Thank you for everything you do!

Summer 2's value is Kindness

Showing others they are valuable by how you treat them.

[Article 19:](#) Governments must do all they can to ensure that children are protected.

CODE JAM 2025**

Celebrate Digital Skills & Creativity At Your School

We're excited to invite your school to take part in the **Jam Coding Code Jam 2025!** This is a fantastic opportunity for your pupils to get creative with code and for your teaching staff to enjoy CPD-rich, fully resourced lessons - all completely FREE.

ROUND 1

Round 1 takes place in your school, with access to our FREE teaching resources. These include easy-to-follow, fun lessons designed to inspire creativity and boost coding confidence.

Teaching leads will judge their pupils' entries and submit the winners to our panel of judges.

ROUND 2

Round 2 - The Final will be held in person at Kingston University, Kingston Hill, Kingston upon Thames, KT2 7LB on Monday, 7th July 2025.

Finalists from across the region will present their projects in an epic coding showdown!

For Boys & Girls
4-12 Years Old

From
28th July - 22nd August 2025

Prices From:
From £21.00 per day

 The Community Space				

There are spaces in all the clubs if you wish your child to join. Please ensure you make payment on ParentPay. To book Jam Coding please visit <https://tinyurl.com/jc25sumbea>

Sunshine Class has been exploring Space, through creative art and craft. Dressed as astronauts, the children brought the universe to life with colourful displays full of imagination and wonder.

The Nursery children have had a very busy week; they had an amazing time at Heathrow Gym. Thank you to all the parents who helped on the trip. They also had some very special visitors; Wild Fangs Educational Animal Encounters. They saw a snake, a chinchilla, a giant snail, a tarantula and a giant frog. The children were very brave when they were touching the animals.

Beezee Bodies delivered a very informative and useful workshop to our parents. Information about free healthy online sessions, physical activities and benefits of eating nutritional food was all shared with the parents. For more information please visit: <https://beezee.maximusuk.co.uk/>

Year 6 had a lovely afternoon making Father's day cards for Sunday. Thank you to all the mums who turned up on the day to help us create such loving cards.
