

NEWSLETTER

As we come to the end of the first half term, it's lovely to reflect on how much the children have achieved already. This week has been full of exciting and enriching experiences. Year 4 took part in their pedestrian training, learning important skills to help them stay safe when near roads. Year 6 were inspired during an engineering workshop where they worked together to design and build shelters out of newspaper.

Fantastic teamwork and creativity - well done, Year 6!

A reminder for Year 6 parents that applications for secondary school close on Thursday 31st October. Please make sure you have submitted your application by this date.

Many children will be dressing up and enjoying Halloween parties over the break. While this is great fun, please remember to stay safe. The Child Accident Prevention Trust has published some helpful tips for staying safe at this time, and we encourage families to take a look.

<https://capt.org.uk/halloween/>

We hope everyone has a wonderful and restful break and we look forward to seeing all the children back in school on Monday 3rd November.

School Admission Applications for September 2026

Last week to apply

Year 6 Secondary Transfer: Last week to decide... Year 6 secondary school applications are to be submitted through e-admissions on the London Borough of Hounslow's website. The deadline to apply is **31st October 2025**.

See www.hounslow.gov.uk/secondaryadmissions for more information

Autumn 1 value - Respect

UNICEF Article 39 - Children neglected, abused, exploited, tortured or who are victims of war must receive special help to help them recover their health, dignity and self-respect.

Attendance
 Good attendance is very important for learning!

Attendance cup winners were:

Gold 100%

Y4 Purple

Silver 99—98%

Y5 Crimson, Y5 Red, Y6 Ebony 99%, Rec Apricot, Y3 Jade, Y6 Jet, Y6 Silver 98%

Bronze 97—96%

NUAM, NUPM, Y1 Lemon, Y2 Blue, Rec Orange 97%, Y1 Yellow, Y3

Green 96%

Classes with 100% attendance earn a mufti day.

Cristian from Y4 won the Simulation City Challenge, with Jam Coding. His design will be included in the competition with other schools. You will have received, by email, a letter and leaflet on instructions on how to vote.

After half term, the Inventors club is back. **You can sign up directly with the inventors**, using the link below.
 The club will start on the 4th November, if there are enough children. Please use the link for more details.

We need your help:
 Do you know of any 11+ tutors in the area?
 or
 Do you have access to a fork lift truck and can help move some sand into our sand pit?
 If so, please contact Ms Moses

Once again we are supporting the Royal British Legion Poppy Appeal. We are accepting donations on ParentPay. Orders will be distributed to classes after half term.

<p>Wristband—£1.00</p>	<p>Snap band—£1.00</p>	<p>Paper & reflector poppies—50p</p>
------------------------	------------------------	--

Nursery parents were invited to a play and talk workshop held by our speech therapist, Bhavna. She also spoke to the parents about the importance of playing and talking. We hope you enjoyed visiting the Nursery!

Some of the nursery parents came in and helped the children make chapatis, thank you, they were amazing! The children also tasted delicious potato and chickpea curry with the chapatis. Happy Diwali!

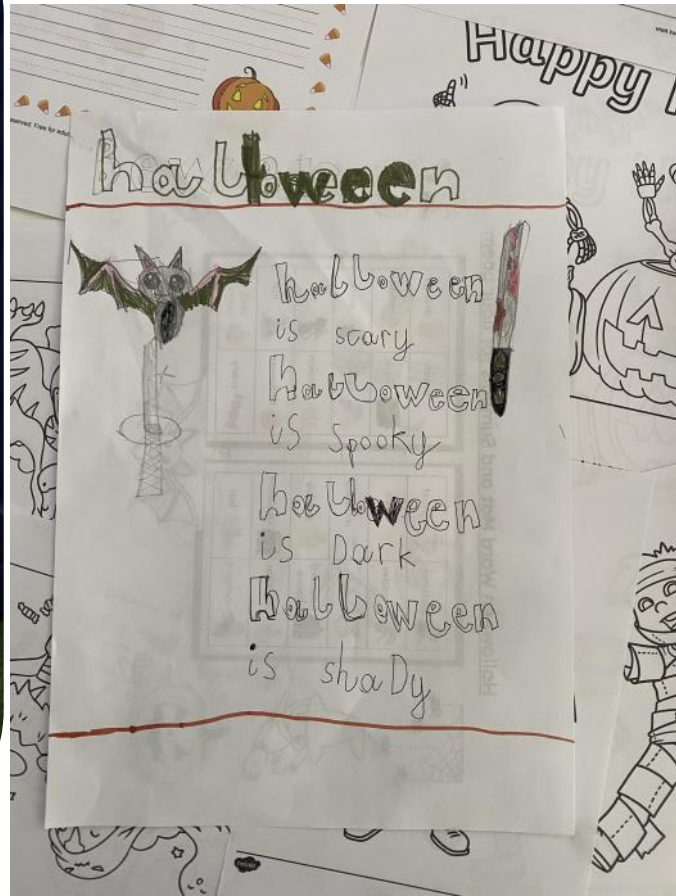

Trick or Treat! Starlight & Sunshine Classes have been trick or treating dressed in their Halloween costumes. They decorated Halloween cakes in Starlight Class.

Starlight Class have been learning the core word "help/help me". During their RISE Therapy session Julian repeated the words "Help me." Julian also received the Golden Ticket this week for his amazing communication this week.

Chrissie wishes you all a happy Halloween!

In English, Year 4 wrote poems especially for Halloween. Lavender Class wrote poems based on their senses, a style of poetry they have been studying this half term. Bevan wrote this 'spooktastic' poem... Warning.....you may have nightmares!!

Halloween By Bevan—Lavender Class

On Halloween, you will see spooky costumes,
That give you goosebumps....woooooooo!
On Halloween, you will see a terrifying spider,
Crawling on your neck...oh no!
On Halloween, you will see ghosts invading Earth.

On Halloween, you will hear people screaming,
Help! in a haunted house.
On Halloween, you will hear a witch screeching,
On a cotton candy cloud.
On Halloween, you will hear a zombie eating,
Sweet pumpkin tasting people....munch, munch, tasty!

On Halloween, you will taste pumpkin pie,
Very tasty....yum, yum!
On Halloween, you will taste something from the cauldron,
Very dangerous!

On Halloween, you will feel cobwebs that never end,
Imagine that....Yuk!
On Halloween, you will touch a jack-o-lantern,
It will eat you up....Gulp!!
Wow so yummy,
Just like sitting on the library couch!!!

RELAX IN OUR WARM CAFÉ REFRESHMENTS SERVED ALL DAY

URBAN FARM HOUNSLOW

Then it's time to relax in our warm café with Spooky Halloween bloodbag drinks !!!

The Hounslow Urban Farm, Faggs Road, Feltham, Middlesex, TW14 0LZ www.hounslowurbanfarm.co.uk

Year 4 took part in pedestrian training this week, learning vital road safety skills to help them stay safe near roads. They practised the important steps of Stop, Look, Listen, and Think, gaining confidence and knowledge to become safer and more aware.

Year 1 have been looking at seasonal changes in science. They explored autumnal objects in the tough tray and made patterns with it in the playdough.

This half-term in PE, Y5 Crimson class has worked extremely hard learning to play dodgeball and applying all dodgeball skills and rules. They finished it off with a class mini tournament. Well done to every child and to Casey and Melwynn for helping to referee.

Year 4 made scary Halloween masks ready for 31st October!

Y4 Purple Class have been learning all about electricity in Design & Technology. They were tasked with turning a 2L plastic bottle into a fully functioning lamp with a working switch (made from cardboard, split pins and a paper clip!) in line with a design brief. The design criteria was based around the client, a young child who had a particular interest in insects and nature. The children had amazing ideas and successfully managed to design and create their very own bug lamps; some resembled species yet to be discovered!! Well done Purple Class!
