Article 12: You have the right to give your opinion, and for adults to listen and take it seriously.

Hello **Beavers Community Primary School (Hounslow)**,
The Inventors, believe that the “superheroes” of the future are already in school! Our projects enhance the “superpowers” of young inventors through creativity, imagination, fun, and plenty of curiosity. Below are links to the projects created since October, and we would like to invite you to share this information with the families of the students, so that both parents and children can explore together, at home, the experiences carried out in the classroom.

You could be the lucky winner of the 1st Prize of £100 but you have to be in it to win it!

parentgym

Last week I completed a course to become a Parentgym coach. It was really intense but thankfully I passed. I can now run the free, 6 week parenting course for our families. The aim is to facilitate the first group in Spring 2 (2026).

More information will follow about the programme but you can speak with me anytime if you are interested. Use the following link for the Parentgym page:

Following the success from last year, the Personalised Christmas card workshops are back

We can make the snow globes for you or you can complete at home. On the google form if you would like both the card and snow globe, please only tick the third line which is for both. Closing date for orders is 3rd December.

Beavers Choir took part in the Christmas Tree festival at St Mary's Church, Osterley on Saturday. They opened the celebrations singing a few of their favourite choir songs and some Christmas carols. Mrs Newman and the choir team would like to thank the children and their adults for taking the time to attend. It was a wonderful afternoon.

The Nursery parents have started to come into school to share books with their child. A big thank you to all the parents who came to our first book sharing session!

The Nursery children had a lovely time today making potato and breadstick hedgehogs! Happy autumn hedgehogs!

Year 2 enjoyed the start of the week with a day at Victorian School. They looked at artefacts, played games, learnt about the 'cane' and had a lesson from the Victorian headmaster

Art Exhibition 2025

Councillors Marina Sharma and Emma Yates visited and were shown around by 2 Year 6 pupils. They were very impressed with the creations. Thank you to everyone who made this happen!
