NEWSLETTER

Our Nursery children enjoyed a wonderful visit to the local library this week. These visits are an important part of developing a love of reading and learning in our youngest pupils, and the children were a credit to the school.

A reminder that studded, moulded or bladed football boots are not permitted to be worn in school for PE, playtimes or lunchtimes.

We have welcomed many parents into school this week for a range of engagement sessions, including Jet Class assembly, an ADHD information session, a Reception maths meeting, and Year 1 *Phonics in Action*. Thank you for your continued support and for working in partnership with us to help your children succeed.

Spring 1 value - Determination

Never giving up, no matter what!

Deciding to do something, and then doing it.

Article 14: Every child has the right to think and believe what they choose and also to practise their religion.

Creative People & Places

The Watermans funding of Creative People and Places will cease at the end of March 2026.

All the local advisory groups met on the 20th January, including our area, Feltham Local Activities Group (FLAG).

The evening had 3 priorities:

1. A thank you to all the volunteer participants over the last 12 years
2. Celebrating the achievements of the all the area advisory groups
3. What we want to do next, what can continue

The presentations really highlighted all the wonderful events the groups facilitated including, carnivals, Polish festivals, outdoor cinema, fetes at Feltham Assembly Hall and much more.

In the next 2 months, the Watermans team, Frankie Roberts and Izzy Rhodes will be supporting all the groups through this transitional period. The local authority cultural team will also help with signposting and advertising of events/activities.

Year 5 and 6 girls went to a football competition at Gunnersbury sports centre, they had a fantastic time and played to the best of their ability.

The nursery children have been Learning about The Three Little Pigs story and have taken part in a variety of creative activities. They made balloon pigs and created a wolf by sticking cotton and then spray painted the wool. They also created houses using straw, sticks and bricks. To finish the topic, they made rice cake pigs and decorated them using raisins, twiglets and banana for the snout.

The children had a wonderful visit to the library this week, where they listened to a story and joined in with nursery rhymes. Thank you to all the parents who accompanied us.

Parents enjoyed visiting the Nursery to share books in their own languages. The children loved dancing to traditional music and tasting foods from different cultures.
