

NEWSLETTER

Thank you so much for supporting the Summer Fayre this week. Despite the intense heat, it was a fantastic turnout, and we were able to raise vital funds for the school. We truly appreciate your ongoing support and community spirit.

This week, we were delighted to welcome our upcoming Nursery and Reception children, along with their parents, for their taster sessions. It was wonderful to see them exploring their new classrooms ahead of their official start this September.

We are incredibly proud to announce that three of our staff members were recognized at the annual Hounslow Awards for Education this week: Mrs Palmer-Dunn & Mahaledchumy Umathasan were awarded for their incredible milestone of 20 years of dedicated service to our school, while Mrs Clinkett received the highly esteemed Teacher of the Year award! Please join us in sending a massive congratulations to them all for their hard work and dedication.

We have a number of staff members leaving the school at the end of this term: Mrs Campling, Mrs Clinkett, Mrs Golding, Mrs Hyatt, Mrs Kaya, Mr Sharma, Mrs Triscott, Mrs Williams, Mr Wood, Florentina, Anju and Maddy. We would like to take this opportunity to thank them for everything they have done for our school community and wish them all the very best in their exciting new ventures.

Important End-of-Term Reminders

Next Friday marks the end of the term. Please note that children are to be collected early at 1:30pm. Please ensure your child brings a named carrier bag to school next week so they can safely pack up and bring home their books, artwork, and other belongings.

Don't forget school closes at 1:30pm on Friday 17th July.
Nursery will be closed all day.

SUMMER FAYRE SPONSORS 2026

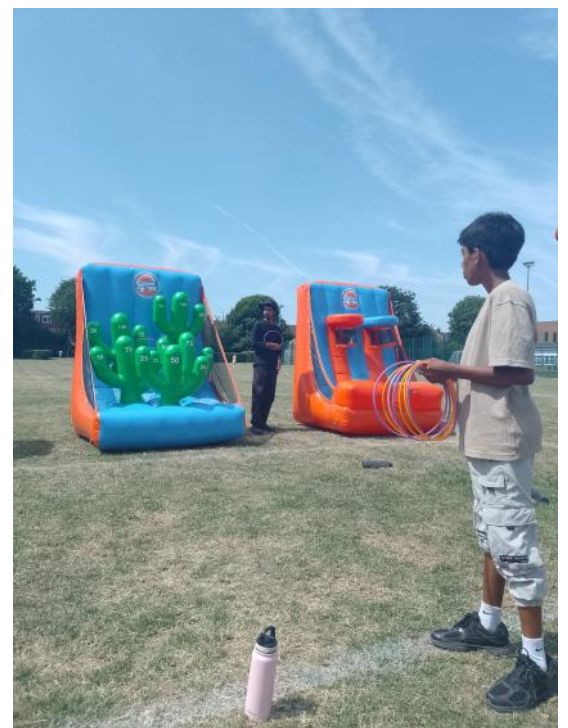

Year 1 enjoyed an exciting **Build to Learn LEGO Workshop**, where they explored the concept of symmetry through hands-on building activities. Using LEGO bricks, the children created and identified symmetrical patterns and designs while developing their problem-solving skills. It was a fun and engaging way to bring maths to life and everyone showed fantastic creativity and teamwork.

Hassan and Saeed in Purple class have been growing a giant beetroot this term, with some help from Ms Rodipe!

To celebrate the end of the school year, Year 6 enjoyed an action-packed Fun Day in the sun! From zorbing and axe throwing to basketball and football darts—plus a welcome visit from the ice cream van—it was the perfect way to wrap up the year.
