

Year 6 have finished their SATs , well done for all their hard work!

The weather is now getting hotter so please make sure you put sun cream on your children before they come to school.

It has come to my attention that a company called Maths Tuition are handing out leaflets outside school. The school does not endorse this company, they have not asked permission and we have asked them to stop handing them out.

It is time for one of our most popular P.T.A events!

Parent & Community Partnership

We have a special coffee morning on 19th May 2016 to prepare for the school discos.

Parents/carers are all welcome

Ellis from Apricot class has been using lots of maths skills on his trip to the supermarket.

Remember to send in your photos by 27th May for a chance to win Tesco vouchers!

Attendance

Good attendance is very important for learning! Last week's attendance cup winner were Year 2 Sky, Year 3 Lime & Year 4 Lavender Classes all with 99%. Well done!

UNICEF 'Article 22: if a child is a refugee or is seeking refuge, governments must ensure that they have the same rights as any other child'. These children, who we know are suffering, show courage every day.

May's value is Courage

Courage is ...

- being brave
- being determined to finish
- believing in yourself

Parent & Community Partnership

The guest artist, Sophie Herxheimer, talked with a number of parents during the morning on the 5th May, which she then made a drawing of all the important parts of the conversation. It was really fascinating to watch. I would also like to thank Poppy Learman (Community Arts Worker, Creative People and Places) for her help.

Heston and Cranford Local Hero Community Awards

Applications for After-school clubs for this term is now closed. Signing up for next term will start the week beginning Monday 6th June.

For the past two weeks year one have been learning about germs. After noticing that not all children were washing their hands after using the toilet or before eating, Year 1 teachers decided to prove to children that clean looking hands are not always as clean as we think. We conducted an experiment to demonstrate the power of germs and the importance of hand washing. We used three pieces of bread. One piece was not touched, one piece was touched by the teacher with clean hands and the final piece was touched by all the children within the class with unwashed hands. Mould grew on all slices of bread, but more abundantly on the piece touched with unwashed hands due to the bacteria and germs that were on our hands. Yuck! So lessons to all...don't forget to wash your hands before you handle food and after using the toilet.

Great British Tennis weekend

“Come to Lampton Park for your 1st tennis experience of 2016. Adult and Junior tennis coaching will be provided for all involved. Don't worry if you don't have tennis equipment to take part, we can provide everything you need, just turn up with shoes to move around in and a positive mind !!”

Year 1 have been learning all about pirates, on Friday they went to the London Martine Museum, Aqueelah wrote the about her experience.

On Friday I was really excited because we went on a school trip to the National Maritime Museum. When we got there I saw a big pirate ship. It had hundreds of steps, real bedrooms and looked fantastic.

We met a girl Pirate but she had a boy pirate name. She was a pirate in a crew and we went to her pirate school. She taught us about being true pirates. She told me to scare the parents and teachers so I pointed a pretend pistol at them and pulled a scary pirate face. She said pirates never wash and keep the same clothes on for months and months. Some even have fleas living on them. Pirates had to eat fish, crabs, chicken, rats and biscuits full of beetles. Yuk!

My favourite part was when we went inside the pirate ship with lots of pretend food in the kitchen. I was a cook and I played with my friends.

Some children pretended to work in the ships engine and put pretend coal into the fire.

I would love to go back to the museum because it was really exciting.

Aqueelah, Jasmine Class.
